### SOUTHCOAST - May 18 -LEGAL UPDATE 2013- POTPOURRI OF SUBJECTS

### **NEW LAWS - NOT DAVIS STIRLING**

# ON NOTICE OF FORECLOSURE SALE – AB 2273 – CHANGE NOT ON DAVIS STIRLING ACT A WIN BY CAI-CLAC: Civil Code Section 2924.1 is added to the Civil Code, to read:

- 1. Anyone who takes property in a HOA at a foreclosure sale must record a document of transfer of ownership (might be called a trustee deed or Certificate of Sale) within 30 days after the date of the sale.[Requirement to record within 30 days is new.]
  Section 2924b of the Civil Code allows
- 2. Associations to record a notice that will require a title companies and lenders to give notice of the sale of the property to the HOA within 15 days of the sale. [Efforts to get title companies to accept notices with indexed properties by legal descriptions (Lot and Unit numbers) were not well received in some counties, even though the law requires recorder to accept. It's better now, but some recorders are still trying to require owner name plus APN for every property in the development. Sometimes an attorney letter helps.]

IMPORTANT – IT WON'T WORK UNLESS YOU RECORD THE NOTICE!! – BECAUSE IT ONLY APPLIES TO NOTICES OF DEFAULT RECORDED AFTER THE AB2273 NOTICE.

[See SAMPLE NOTICE- ATTACHMENT A] - SEE THE FORM ATTACHED TO RECORD.

**TRIED TO GET MORE "PENALTY" FOR BANK DELAYS:** Tried but couldn't keep proposed penalty in the statute for non-compliance, had to settle for requirement to record, and indexing language. Sign up at <a href="https://www.caiclac.com">www.caiclac.com</a> to stay on top of what it is happening.

CLEAN UP ELECTRIC VEHICLE CHARGING STATIONS: Civil Code Section 1353.9 authorizes EVCSs: Essentially, HOAs have to allow electric vehicle charging stations in the association unless it's impossible. The owner has to pay the cost of installation and removal, charging costs and insurance. After the bill was enacted there were some problems. Allowing owners exclusive use of common area for a station was in conflict with the law (Civil Code 1363.07) preventing HOAs from giving exclusive use without 2/3 approval of members. IMPACT::Cleanup legislation said 1363.07 doesn't apply to EVCs. Also, owners have the ability to install in their deeded or assigned parking space, but if it's impossible or unduly expensive to install there, owner has right to install in the common area. Possible problem in area of insurance. Owner has to provide \$1M coverage naming association as additional insured. IMPACT:But owner does not have to have insurance coverage if the energy source is an existing NATIONAL ELECTRIC MANUFACTURERS standard alternating current power plug. .

\*\*\*\*\*\*

**ESCROW CANCELLATION FEES PROHIBITED**: New in Civil Code Section 1368/1368.2- the laws that tell what sellers are required to provide buyers, and the association is required to provide if the seller asks (which usually comes through an escrow demand). **IMPACT::Have to refund all fees for** 

providing the documents if not yet been provided. But usually HOAs or managers don't collect before documents are provided anyway.

\*\*\*\*\*\*\*\*\*\*

WEIRD Add-ON TO OMNIBUS BILL MODIFIES DAVIS STIRLING ACT – THIS YEAR – MAYBE IN CLEANUP (may make it into new Davis Stirling – will see.: AB 2697 was a bill that was where the "advertised" subject was Mobile Home Residency Law – it included were 3 changes to the Davis Stirling Act: IMPACT: (1) emergency meeting via email – action must have unanimous approval to be effective, (2) at a teleconference meeting the HOA representative "onsite" has to be a board member or person designated by the board (could be the manager), and (3) rental amendments must be "described" in the escrow packages as opposed to HOAs having to explain the applicability.

\*\*\*\*\*\*

PRIVATE INVESTIGATOR ACCESS TO GATED COMMUNITY TO SERVE SUBPENA Section 415.21 of the Code of Civil Procedure is amended to allow access to, in addition to registered process servers and marshals, private investigators who want to get in to serve "process:" (subpoena-notices of lawsuits). The restrictions related to access for a "reasonable period of time", and necessity of "identifying to the guard the person or persons to be served" and requirement of "displaying a current driver's license or other identification and specified documentation" or now, a PI license for a PI, still stand.

**Impact:** Guards have to let PIs in to serve subpenas in addition to process servers and marshals.

\*\*\*\*\*\*\*

**CONSTRUCTION MANAGERS/CONSULTANTS- LICENSED?:** Business and Professions Code Section 7026.1 defines the term "consultant" for purposes a contractor to include a person who provides a bid, or who arranges for and sets up work schedules and maintains oversight of a construction project, with respect to a home improvement contract. (Licensing pertains to contracts over \$500 in combined labor and material costs.(B&P Code §7048.)

So what if managers collect bids and help boards choose contractors? Or approve progress payments based on work completed? Or schedule work? What if a director asks to do the work? What if there are charges to the HOA related to this work? Consultants who provide these services are required to pay license fees to the Contractors' License Board. The law expands the scope of an existing crime for failure to do so. A consultant is a person, "other than ... an owner of privately owned real property to be improved" who meets the legal criteria as it relates to a home improvement contract. It was enacted specifically to overturn a case that found construction managers did not need to be licensed.

**Impact:** Debate over whether applies to HOA managers or paid board members. Efforts are being made to exclude HOAs. In the meantime limit involvement.

**ELECTRONIC VOTING: RECENT CLAC ANNOUNCEMENT:** Thanks to CLAC, **AB 1360** is working its way through. You can participate in polls and follow this bill at www.caiclac.com. Been writing this in new documents for years – when law allows, Amended Bylaws will allow.

NEW DAVIS STIRLING ACT – EFFECTIVE JANUARY 1, 2014 MOST SUBSTANTIVE CHANGES

NOTICE TO ASSOCIATION (New, CC 4035)— MUST NAME CONTACT :: HOAs must provide in the annual packet of information on who is assigned to receive written notices to the HOA

(MANAGEMENT OFFICE IS OKAY) when the notices are required, which is in the following cases:

- A request to change the Member's information in the association membership list.
- A request to add or remove a second address for delivery of individual notices to the Member.
- A request for individual delivery of general notices to the Member, that would otherwise be
  posted in the common area, on the website, or made by some form of general notice, or a
  request to cancel a prior request for individual delivery of general notices.
- A request to opt out of the membership list or a request to cancel a prior request to opt out of the membership list.
- A request to receive a full copy of a specified annual budget report or annual policy statement (or any annual disclosures).
- A request to receive all reports that in full that are otherwise provided to members in summary form, or a request to cancel a prior request to receive all reports in full.

INDIVIDUAL NOTICES VS GENERAL NOTICES: Distinction is important with regard to what must be provided directly to owners and what can be given by general notice like posting on website or common area.

**INDIVIDUAL NOTICES (Section 4040).** This section says: "If a provision ... requires that an association deliver a document by "individual delivery" or "individual notice," the document shall be delivered by one of the following methods: First-class mail, postage prepaid, registered or certified mail, express mail, or overnight delivery by an express service carrier, addressed to the recipient at the address last shown on the books of the association; or by E-mail, facsimile, or other electronic means, if the recipient has consented, in writing, to that method of delivery [and the individual has not revoked, in writing] ...; **and** to the secondary address identified by an owner if there is one."

As to other items, the Association needs to follow the specific requirements related to assessment notices and lien and foreclosure notices.

A board may not "get consent" by adopting a policy stating that email notice is appropriate, or deemed to be consented" and thus avoid getting the owners' consent.

**GENERAL NOTICES. SECTION 4045:** This section adds language for suggested posting of notices. It says the **general notices** may be given "[by] inclusion in a billing statement, newsletter, or other document that is delivered to owners; ... [by] posting the printed document in a prominent location that is accessible to all members, if the location has been designated for the posting of general notices by the association in the annual policy statement; and if the association broadcasts television programming ... **[by]** inclusion in the programming." Additionally, "if a member requests to receive general notices by individual delivery, it shall be given ... using one of the means in [Sec. 4040]." This option is to be described in the annual disclosure package.

**DELIVERY OF NOTICES**: In addition there is a new **Section 4050** that says "if a document is delivered by mail, delivery is deemed to be complete on deposit into the United States mail [and] if a document is delivered by electronic means, delivery is complete at the time of transmission."

Section 4055 says "If the association or a member has consented to receive information by electronic delivery, and a writing is required, the electronic record satisfies the "in writing" requirement, so long as it comes in a form that can be retained, electronically or printed. These sections are new, and eliminating any argument about whether notice by mail requires an extra 5 days to allow the notice to be delivered.

ANNUAL DISCLOSURE PACKAGE: The annual disclosures have been broken into two sections, the "Budget Report" and the "Annual Policy Statement". The items that are to be included in each are listed below on the "Emergency Contact and Consent to Notice Via Email form provided in ATTACHMENT B below. Since these items that are sent out in late 2013 will be effective for the 2014 fiscal year, it is best to include them with the disclosure packages that go out this fall. It will take a reorganization of existing disclosures, and all the policies that you will need to disclose will be posted on my website under the "Reorganized 2014 Davis Stirling Act" link on the main page of my website by this summer. They are also being sent out item by item in my E-Newsletter, so get on the list if you are not already signed up! (www.californiacondoguru.com/mainpage.html)

**IMPACT:** Reorganization of the annual disclosure packages will be needed. Also, it would be wise to include in **each existing policy reference to the old and the new statutes**, because then people familiar with the existing laws and code numbers will be able to easily translate their existing knowledge into the new code sections. If you have a mid year budget and disclosure package coming due soon, you can send out the 2013 disclosure package and then do some cleanup at years end to notify owners of changes relevant to 2014.

[THIS ITEM DOES NOT APPEAR IN THE NEW DS ACT]: 1363.005. DISCLOSURE INDEX. Davis Stirling requires associations to, at the request of any member, distribute to the member, in the manner described in Section 1350.7, a specific Disclosure Documents Index: That language does not appear in the new law.

### ETHICS, CONFLICT OF INTEREST, BOARD MEMBERS

#### **IDENTIFIED CONFLICTS:**

CURRENT ACT 2013 FROM DAVIS STIRLING IN PLAIN ENGLISH

### 1365.6. DISCLOSURE OF DIRECTOR'S FINANCIAL INTEREST IN CONTRACT.

Notwithstanding any other law, and regardless of whether an association is a corporation, as defined in Section 162 of the Corporations Code, the provisions of Section 310 of the Corporations Code shall apply to any contract or other transaction authorized, approved, or ratified by the board or a committee of the board.

Comment: The impact of this section is basically to say that any contract that is executed by the Association in which a Director has a financial interest is not automatically void or voidable, if the terms have been disclosed to the membership. The concept supported is openness. You can see a copy of Corporations Code Section 310 at <a href="www.ca.gov">www.ca.gov</a>, navigating to the California Codes.

[WARNING ABOUT EMAIL NOTICE: BOARDS! I do not suggest using this consent form without advice from the association's attorney. Attorneys have differing opinions on what is acceptable and advisable under the statute. And there are things a board should know when deciding to use this form. There are extra duties like keeping 2 notice lists (those that opt in and those that opt out, extra work and paying management for keeping two lists, the risks because of the wording of the pertinent statute, etc. EMAIL notice alone is not recommended for disciplinary hearings and notices or any of the items required by law to be sent to or served on the owner of the delinquent account.]

**DAVIS STIRLING ACT CONVERSION CHART – TAKING ASSOCIATIONS INTO 2014 WITH A SMOOTH TRANSITION**. Below, the conversion chart I put together for the 2013 to 2014 statutes is attached. Be advised that there are many conversion charts out there – CLRC, CACM. DAVIS STIRLING WEBSITE, MANY ATTORNEY SITES, etc.. A word of caution: I have found inconsistencies in some charts I have seen indicating that some of the preparers rushed to put these together and some were not intimately familiar with the real subject of the law. And reading it on the fly to make the comparisons does not work as I found out! It took some real thought. Also, most charts do not have the comprehensive title/subject references that I used, which make it easier for you – and for me, to locate the exact correct new references by the detailed subject matter.

One more note – at a later time when I put my chart up as well as links to several of the conversion charts of the organizations like the CLRC (drafter of the laws), and CACM, ECHO, and CAI, I will also be providing "Mini" Charts that will work for policies, Updated Bylaws and CC&Rs drafted with the 2013 references, and helpful tips. Visit <a href="www.californiacondoguru.com/mainpage/html">www.californiacondoguru.com/mainpage/html</a> to find the link. And be patient – there are a lot of important helpful tools that are being developed by me to help associations make a smooth transition into 2014. It doesn't have to be like the 1999 to 2000 millennium craziness.
