

**SOUTH COAST HOMEOWNERS ASSOCIATION  
P. O. BOX 1052, GOLETA, CALIFORNIA 93116  
(805) 964-7806**

January 2010

Dear Homeowner Association Board Members:

The South Coast Homeowners Association (SCHA) invites you to join our group for the upcoming year. SCHA was formed in late 1988 to provide the opportunity for board members to "network" or interact with one another and to provide much needed educational and informational forums in Santa Barbara and San Luis Obispo County for homeowner associations. We have had meetings dealing with legal/legislative updates, association reserve and budget requirements, a full day "HOA 101" seminar, HOA insurance, among others. We encourage members to interact among themselves and provide ample question and answer sessions during all our meetings. Most meetings are free to attend. You may send as many board members from your association to attend each meeting as you'd like.

In addition, we publish a newsletter 6-8 times per year on topics of current interest to association board members. You will receive the book, "*The Uncertain Future of Homeowners Associations*" – a \$10 value. You will also receive the *2010 Condominium Bluebook*, a compilation of state laws for associations, a \$20+ value. Additional resources are available on our website – [www.osouthcoasthoa.org](http://www.osouthcoasthoa.org).

Currently over 150 associations are members of South Coast Homeowners Association, ranging in size from 3-750+ units.

Membership - through December 2010 -----\$ **60.00**  
Professional Newsletter Listing – 2010 for association professionals providing services to HOAs  
(optional for professional members) -----additional **\$80.00**

---
